# Course Details

## Semester 1 2024

### Wheel Throwing Workshops

#### **1 to 1 and 2 to 1 lesson - 1 x 2hr class (max 2 students)**

Learn to make wheel thrown pottery! Each lesson begins with a short demo. Then its two hours of you on the wheel with guided step by step instruction. Price includes tuition, clay and up to 2 pieces of work fired in the kiln.

#### **4 Week/8 Week Short Courses - 4 or 8 x 2hr class (1 to 1)**

Learn the basic dinnerware shapes such as bowls, cups, lidded jars, plates and more with techniques for decorating such as carving, slip-trailing and altered forms.

Learn to make, decorate, trim and glaze your own pottery set. Short courses consist of 2 hour classes of you forming, decorating or glazing your pots with guided step by step demonstrations and instructions. Price includes tuition, clay and your work fired in the kiln. Suits beginners and intermediate students.

# Course Details

## Semester 1 2024

### **One Day Wheel Workshop - 1 x 6hr class (max 2 students)**
